

I'm not the only one who's lost their way.

and that's why Kalruik has to know, too.

It's alright.

This... is what I chose, after all.

Because Kalruik chose me, I was able to stand up and help others, right?

I'm already thankful
that you're with me...

The thought
alone is more
than enough

Shin Wed

Are you alright?

The criminals are
being taken down and
subdued Sir!

Thanks to the Due of
Decisions, we managed
to ensure a more of the
citizens safety

Please give us
your next orders.

The Gear of
Desolation?

Yes.

Humanity...

I hate to say this,
but the Alcosse helped
us big time.

The Alcosse would never
willingly help humans.

Even if they decided to help,
"Dark" would've moved them
using the shadows instead of
activating another Dragon
Artifact.

But if that's the way
people remember it...

Just like the Industrial Town
of Metall, someone is fiddling
with their memory.

It is because of
that woman...

Be careful!

It's dangerous!!

That woman is gone.

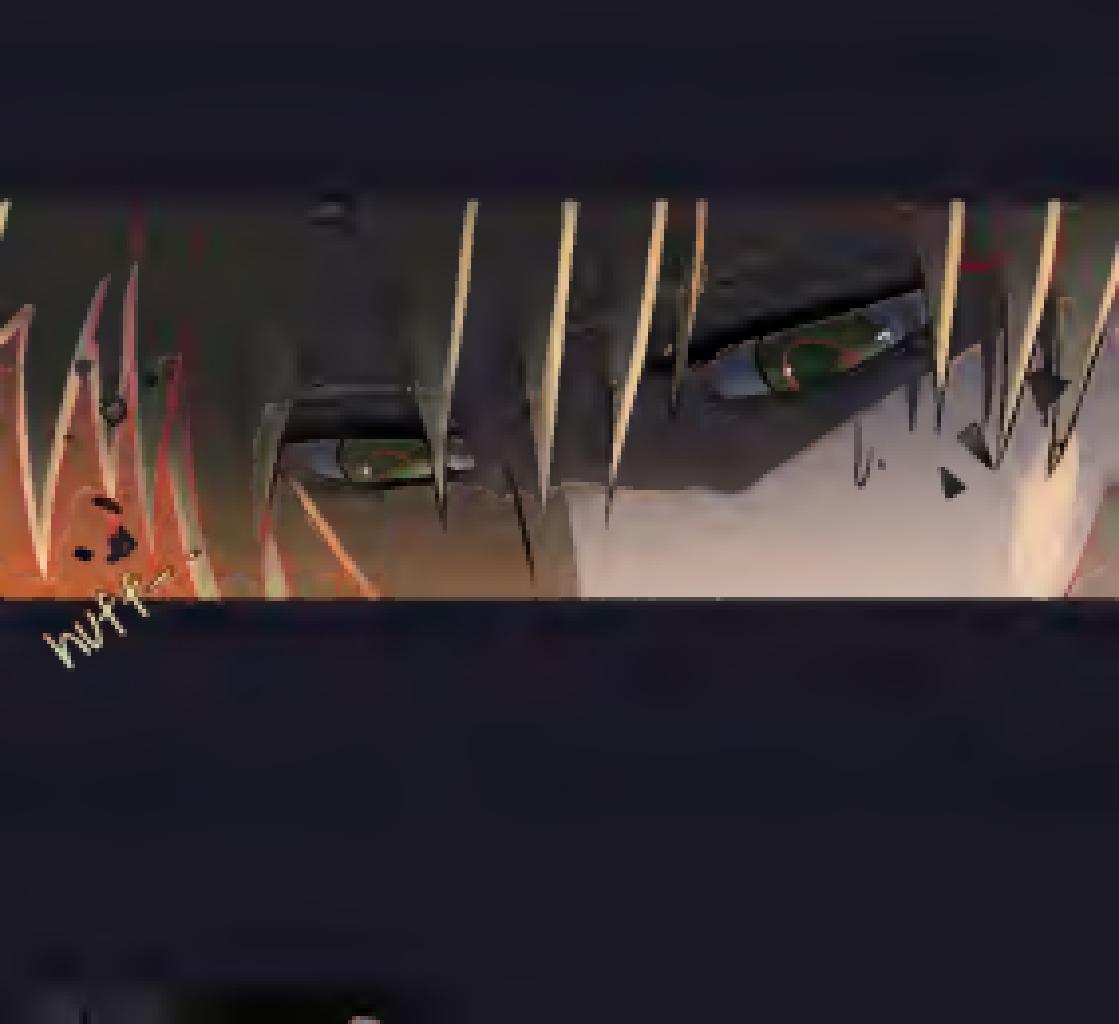

...enough
to be run
out of the
city.

Oh, well, it's
not time yet.

PUNCH

I need to take care of
the Southern districts and
the government first...

Upstairs,

they met some time

Drive him straight
the will by the river

Now, Sir!

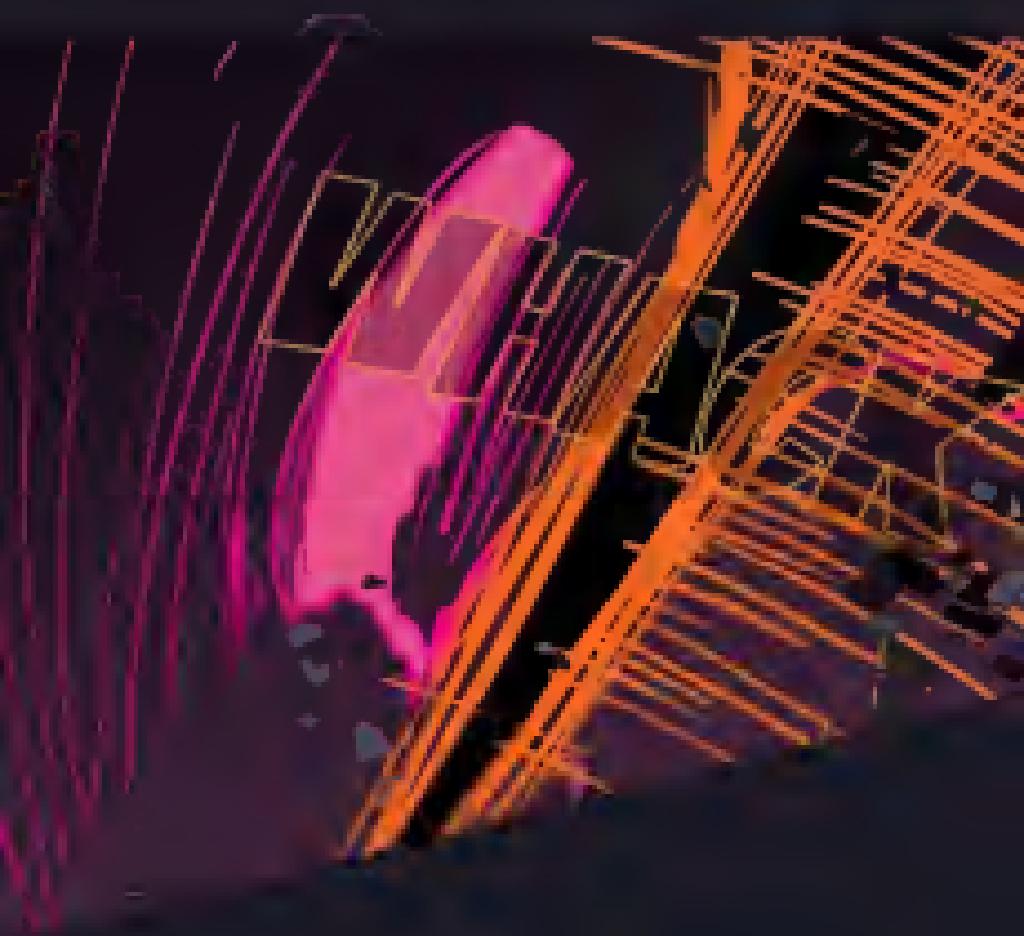

31. Dark Dragon Artifact
Warrior's Tomb
(Place of excavation:
Labyrinth of the Elements)

As long as the Conqueror's
body or the artifact reaches
the ground, you can freely
manipulate the weight
and range of the artifact.

Nothing is known
about the context
in which it was found.

I've inflicted
enough damage
from this chick.

This is the end!!

No!!
